

Our pressurecare products pads help relieve pressure by increasing the area of contact between the body part and the supporting surface.

We use pressure mapping to evaluate our products for their pressure relieving capabilities.

#### SUPPORT SURFACE WITH NO PROTECTION

Pressure Mapping of Oasis+ Head & Neck Support (OP151)

#### Oasis+ products are:

- Easy to clean - can be cleaned with standard Operating room cleaning agents
- Fully autoclavable
- Exceptionally durable
- Manufactured to ISO 13485 standard

## A Revolution in Pressurecare

Oasis+ offers the ultimate in pressure relief, and positioning.

**The products are fully autoclavable, re-usable, ergonomically designed, with an anti-slip base. This entirely unique range is a revolution in Pressurecare.**

**Vast amounts of in-depth research have gone into the development of each range.**

Our Oasis+ products are made from a medical grade siloxane elastomer.

Additional durability is ensured because the products have no outer film, making this an entirely unique product range.

The ergonomic design of the product promotes the ultimate in pressure relief.

In addition the material has anti slip properties, helping to provide comfort and support to the patient.

#### Key Features of the Oasis+ Range

- Medical grade siloxane elastomer
- No outer film ensures exceptional durability
- Ergonomic design for effective pressure relief
- Easy to clean and fully autoclavable
- Non-slip properties for patient comfort and support

#### OASIS + HEAD & NECK SUPPORT

The Oasis + Head & Neck support is ergonomically designed to support the head and neck. The product has an anti-slip base for additional safety. Proving popular in ENT for septoplasty, some cases of laryngoscopes and thyroidectomy.

CODE	DESCRIPTION	DIMENSIONS
OP151	Adult	264 x 220 x 64mm

#### OASIS + SHORT ARMBOARD PAD

Ergonomic support, with a subtle recess to cradle the arm. The Short Armboard Pad can bend and conform to different arm positions. The product is also rollable, to facilitate a neutral hand position if desired.

CODE	DESCRIPTION	DIMENSIONS
OP070	Adult	395 x 134 x 10mm

#### OASIS + LONG ARMBOARD PAD

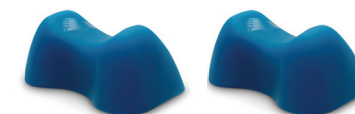

The Long Armboard Pad completely relieves pressure on the elbow with a full recess. It can also bend and conform to different arm positions. Raised sides provide defined support. Rollable, to facilitate a neutral hand position if desired.

CODE	DESCRIPTION	DIMENSIONS
OP101	Adult	500 x 161 x 40mm

#### OASIS + HEEL PROTECTOR

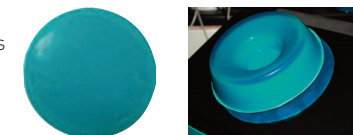

A broad base and raised sides provide stable support and pressure relief for the heel area.

CODE	DESCRIPTION	DIMENSIONS
OP132	Adult	127 x 162 x 71mm

#### OASIS + DISC

Oasis+ Discs help to support gel products in place and aid in slip reduction.

CODE	DESCRIPTION	DIMENSIONS
OP015	Infant/Adolescent/Adult	200 x 200 x 4mm

#### OASIS + HEEL PADS

The Oasis + Heel Pads are anatomically designed for better pressure relief. New design allows full foot to be in resting position while also relieving all pressure from calcaneal aspect of heel. Suitable for beach chair position.

CODE	DESCRIPTION	DIMENSIONS
OP130	Adolescent/Adult	151 x 134 x 66mm

#### PROMOTIONAL ITEM ONLY
